FUND FACTS

**Guaranteed Retirement Annuity (GRA)
Guaranteed Investment Annuity (GIA)
Retirement Income Fund (RIF)**

This document contains individual Fund Facts for each segregated fund available through your Wawanesa Life Individual Savings and Investment Plans. You can choose to invest in one or more of these funds:

- Canadian Equity Index Fund
- U.S. Equity Index Fund
- International Equity Index Fund
- Canadian Bond Index Fund

The individual Fund Facts give you an idea of what each segregated fund invests in, how it has performed, and what fees or charges may apply.

The description of each segregated fund in the individual Fund Facts is not complete without the following description of “What if I change my mind” and “For more information”.

WHAT IF I CHANGE MY MIND?

You can change your mind about your investment within two business days of the earlier of:

- receiving confirmation, or
- five business days after it is mailed.

You can also change your mind about subsequent transactions you make under the contract within two business days of the earlier of:

- receiving confirmation, or
- five business days after it is mailed.

In this case the right to cancel only applies to the new transaction.

You have to tell us in writing, by email, fax or letter, that you want to cancel. The amount returned will be the lesser of the amount you invested, or the value of the fund if it has gone down. The amount returned only applies to the specific transaction and will include a refund of any sales charges or other fees you paid.

FOR MORE INFORMATION

The Fund Facts may not contain all the information you need. Please read the contract and the Information Folder or you may contact us at:

THE WAWANESA LIFE INSURANCE COMPANY
400-200 Main Street, Winnipeg, MB R3C 1A8

HOW HAS THE FUND PERFORMED?

This section tells you how an investment in Class A of the fund has performed over the past 10 years. Returns are after the MER has been deducted.

It is important to note that this doesn't tell you how the fund will perform in the future. Also, your actual return will depend on your personal tax situation.

Average Return

A person who invested \$1,000 in the Class A units of this fund on November 1, 1997 has \$2,939 on December 31, 2020. This works out to an average of 4.76% per year.

Year-by-Year Returns

This chart shows how Class A of the fund has performed and includes performance for the underlying fund. Actual segregated fund performance will vary depending on the fund Class. In the last 10 years, the fund was up in value 7 years and down in value 3 years for Class A.

Total Investments: 225

Investment Segmentation (%)

HOW RISKY IS IT?

The value of your investments can go down. Please see the Information Folder for further details.

ARE THERE ANY GUARANTEES?

This fund is being offered under an insurance contract. It comes with guarantees that may protect your investment if the markets go down. The MER includes the management fee which covers the insurance cost for the guarantee. For details please refer to Information Folder and contract.

WHO IS THE FUND FOR?

This fund may be suitable for medium to long-term investors seeking accumulation of capital through appreciation and reinvestment of net income as part of a diversified portfolio.

HOW MUCH DOES IT COST?

The following describe the fees and expenses you could pay to buy, own and sell units of the Fund. The ongoing fees and expenses are different for each class.

1. Sales Charges

- Wawanesa Life's funds do not have sales charges.

2. Ongoing fund expenses

The management expense ratio (MER) includes the management fee, the operating expenses of the fund and applicable taxes incurred by the fund. The management fee includes the insurance cost for the guarantee. You don't pay these expenses directly. They affect you because they reduce the return you get on your investment. For details on how the guarantees work, see your insurance contract and Information Folder.

Class	MER (%)
Class A (Customer)	2.11
Class B (Closed block)	1.73
Class C (Broker/Employee)	1.46

Trailing Commission

Wawanesa Life pays a trailing commissions on Class A units of up to 0.6% of the value of your investments each year for as long as you own the fund. It is for the services and advice your advisor provides to you. The trailing commission is paid out of the management fee. You don't pay these expenses directly.

3. Other Fees

There is a transaction fee assessed for each redemption request after the first during a calendar year, except for those which provide for RIF annuity payments, scheduled payments on Guaranteed Investment Annuity, or where funds are being redeemed to purchase units in another Fund within the policy. The transaction fee is currently \$25. It may be increased but will not exceed \$100.

WHAT IF I CHANGE MY MIND?

You can change your mind about investing in this fund but you may have as little as two days to do so. Please see page 1 for details. This page also contains details on how to get more information. This Fund Facts is not complete without page 1.
